The Governors of The Globe Primary Academy are seeking to appoint a successful and experienced full time Year 2 Class Teacher. The successful candidate will join our friendly, welcoming academy from September 2017. The Globe Primary Academy is part of the REAch2 Academy Trust. There are three REAch2 academies in Sussex.

The school became an academy in November 2014 and is on a clear journey towards improving outcomes for children. As we continue this journey, the Governors and the Senior Leadership Team are seeking committed and inspirational new colleagues who have a passion for teaching and learning and who are keen to help us achieve our vision.

Year 2 post

The ideal candidate will be a highly skilled Key Stage 1 teacher who creates fun, yet challenging, learning opportunities for their children. It is very important that you work well as part of a team - both within your year group and across the whole school. In addition, you should ideally have had previous experience of teaching in Year 2. Candidates may already have completed their NQT year but this is not essential and NQTs are welcome to apply.

All successful candidates will:

- Be excellent practitioners with high expectations of all pupils
- Be passionate about child-centred learning
- Have excellent organisational and communication skills and enjoy working in a team
- Have experience of teaching in Key Stage 1
- Be able to make a positive contribution to the ethos of our school
- Have a firm commitment to inclusion and equal opportunities for all
- Have a good understanding of effective assessment and use this knowledge to plan creative, well-differentiated lessons that motivate all learners.

At The Globe Primary Academy we believe in creating a caring, stimulating and positive environment, based on our school values.

We can offer you:

- Wonderful children who thrive in a learning-centred environment
- Highly skilled colleagues who work collaboratively together
- Supportive governors and parents/carers
