Job Advertisement

We are looking for an ICT Technician who has the skills and attributes to support our extensive IT facilities. The position is to work 35 hours per week during term time only. Our ICT Team supports a network of around 350 workstations, 150 mobile devices and over 1000 users. The successful applicant will join our current team of technicians under the direction of our Network Manager and will be responsible for providing daily support for all aspects of ICT within the school.

Experience of, Windows 7, Microsoft Office, maintaining, repairing hardware and working with a managed wireless network is desirable. You will need to be flexible in adapting to the needs of a changing working environment with excellent communication skills and the ability to work under pressure.

Full details are available from our website or by Contacting our HR officer Jim McMahon above

Closing date: Noon on Tuesday 13th October

Interviews are expected to be held soon after

Application and safer recruitment forms can be downloaded from our website. Application by CV alone cannot be accepted
